

# Lysterfield Sailing Club - Covid Safe Plan

Prepared by S McConnell 19 Nov 2020

Ensure everyone is at least 1.5m apart whenever possible.

- No sailing on two person dinghies unless from the same household.
- Crew on the rescue boat to keep 1.5m apart whenever possible.
- Only the OOD and useful assistants to be in the tower. When there is more than one person in the tower, keep at least 1.5m apart. No socialising in the tower.
- Sail at home whenever practical.

Face masks

- Wear a fitted face mask at all times except when actually sailing.
- Rescue boat crew to wear face masks.

Disinfection

- Provide disinfectant in the tower and clubroom.
- Regularly disinfect any surface which may be touched by a person within seven days of another touching it. (e.g. door knobs, locks, radio, taps)
- Wash hands regularly.

Keep records

- Each sailor to sign-on before races.
- Visitors to write phone and email address on sign-on sheet.
- Non-sailing members and visitors to also record their presence on the sign-on sheet.
- OOD to record on the sign-on sheet the names of the duty personnel.
- Sign-on sheets to be stored in tower for future reference.

Health

- Do not attend if you have symptoms or are a contact of someone with symptoms.
- Go home immediately if you develop illness of any form.
- Worksafe Victoria 132360 to be notified if anyone infected has attended.
- Contact and notify all personnel who were present if anyone infected has attended.

Socialising

- Avoid meeting indoors, stay outdoors..
- Drink from disposable containers, or ensure you thoroughly wash and disinfect non-disposable containers, taps and surfaces.
